✳**TIP:** I named mine after the kit:
Stories of Our Life Elements

There are multiple templates & I plan
to add to this PAK as I go.

4 Add template to project.

✱TIP: It's hard to see what is selected on the page with so many elements being used. Use elements panel to select items and move top to bottom.

5 Go to Elements Panel. Right Click on the first element (skip text boxes & photo boxes). Select: *Save Selection: Save as an image in a personal art kit.*

7 In pop up window that follows, select personal art kit you created, set content type to embellishment, & name element. It helps to have the personal art kit open next to Artisan in Windows Explorer. This way you can see whether to name an item Butterfly Overlay #2 or #3.

✱TIP: You can save papers too. This template didn't have any.
